

Dubai Maritime City Participation to Dubai International Boats Show 2017 along with its business partners DTA & DDW

28 February 2017- 4 March 2017

Dubai Maritime City participated in the Dubai International Boat Show 2017 (DIBS), the event was special and a huge success not only because the show has reached its 25th year milestone but also because it offered opportunity to increase the brand awareness of Dubai Maritime City and show case its unique features of being purpose build maritime cluster with sophisticated Infrastructure, Regulation & Companies from all over the world under one roof.

The event offered real time insight on the current industry trends and extensive interaction & exchange of ideas with more than over 850 leading international, regional and local exhibitors from over 50 countries that made it an unparalleled platform for exhibitors to showcase sea facing properties, boats and other products to Middle Eastern and International marine investors and enthusiasts. DMC took the advantage of this prospect and used it as a platform to promote its distinctive facilities and services.

DMC greeted more than 28,000 marine industry enthusiasts from across 151 nationalities who attended the event giving them insight on DMC its infrastructure, regulation, diverse land use and facilities that covers all the marine industry needs such as ship repair, yacht manufacturing, workshops, ware house, offices, ship lifts, marine supplies, engineering and technical expertise.

DMCs aim was to participate along with their partners under the banner of “Dubai Maritime City Pavilion” to get attention of local & international marine industry to focus on DMC and its diverse marine operators that cater to the needs and standards of maritime industry. This wouldn’t have been successful with their active involvement.

DMC extends its sincere thanks to its business partners Drydocks World (DDW) & Dubai Trading Agency LLC (DTA) for making this participation a success. We are looking for your support in the future to make this participation bigger and better. Our Marketing team will update you on such events.

Dubai Maritime City thanks its business partners for taking time in visiting our stand in the DIBS.
